what is this

They, Too, Love

OH...
FATHER'S
SOMETHING I
WANT TO
ASK YOU...

*As you go through life,
there are questions you
really don't want to answer.*

For example,
questions like,
"Who do you like
better, mommy
or daddy?" that
wreck havoc on
child's emotions.

11/2

EUN MYEONGTUNG

JUNG EUMMOON

11/2

or even
gangster-style
questions like
"You want a beat-
down?" or "You
wanna die?"

WHAT IS THAT
BOY/GIRL LIKE?

WHAT DO YOU
MEAN THERE'S
NO POINT IN
JOINING ME...

Get this first!

Maybe start in the
Swimming Club.

You should be
careful and keep it
to yourself!

Let's make
another list!

That's not what!

Homework
has a lot to say!

Get it!

Swimming?

That's not what!

IF YOU REALLY
WANT TO KNOW
WHAT DON'T YOU
ASK ME YOURSELF?

But Jung Eunsoo is hard to
approach because he's like a
prize. Those sharp and
intelligent eyes and his calm,
refined manner. He has,
indeed, a true pride!

Even Myeong is - how should
I put it - a pure and delicate
orbed blossom. With eyes that
were somewhat distant, soft
hair, a slender grace like that
of a painting. All for very
valuable is a card!

... STRANGE.

I was the fourth of six sons born to working parents. Thanks to my boomerang-like older brothers and parasite younger siblings, I was relegated to housekeeper status. Life is really being Original. I didn't even plan on participating in any extra-curricular activities, but...
